

Call for Abstracts

JSME IIP division · ASME EPP division Joint Session

MIPE in InterPACK 2025

October 28 – 30, 2025

Hotel FERA Anaheim, a DoubleTree by Hilton, Anaheim, California

Submission Deadline

- **2025/3/17**
for Presentation and conference proceedings publication
- **2025/5/5**
for Presentation ONLY, Poster presentation

InterPACK 2025

<https://event.asme.org/InterPACK>

MIPE (Micromechatronics for Information and Precision Equipment), a joint session of the JSME-IIP and ASME-EPP Divisions, will be held as a special track (Track 9-11) of InterPACK2025.

MIPE TRACKS

Track 9

Micro/Nano Mechatronics, Microelectromechanical Systems, and their Applications to IoT

Track 10

Mechatronics, Tribology, and Control of Information Storage Systems and Robotics

Track 11

Advanced Simulation in Science and Engineering

Submission type

- A) Presentation and conference proceedings publication (Copyright transfer required)
- B) Presentation ONLY (No need to transfer copyright)
- C) Poster presentation (No need to transfer copyright)

How to submit

Submit via the InterPACK2025 website. **When submitting, please select Track 9-11.** A 400-650 words abstract is required. For submission type A), if the abstract is accepted, a full-length draft must be submitted by May 5th, which is peer-reviewed. If accepted, authors must upload a final publication-ready version. For submission types B) and C), acceptance will be decided based on the 400-650 abstract.

Submission to Journal

Authors who wish to submit their conference papers to the ASME Journal must complete the necessary submission process via the [ASME Journal Tool](#) after the conference has concluded. Peer review is a separate process from InterPACK, and papers accepted by the conference are not guaranteed to be published in the journal.
